# WHAT MADE US DIFFERENT?

Top MICE from Calypso Portfolio

We are the only company in Georgian MICE tourism, which organized the first two international tourism exhibitions “Batumi Expo” in 2009 and 2010 from A to Z.

We created exhibition concept and style, attracted sponsors and professional buyers, developed exhibition venue.

Organized opening and closing ceremonies, presentations, excursion trips and series of enchanting gala-dinners.

# WHAT MADE US DIFFERENT?

Top MICE from Calypso Portfolio

We are the only company in Georgian MICE tourism, which built 84m long bridge across the River Mtkvari in 2011 in the shortest time and arranged a test-drive on the ship board in 2014.

We built a construction for 3D-mapping presentation, “taught” 145 people to sing, dance, and cook Georgian. We organized a team building “Strength in Unity” to build a bridge across the river.

We provided technical support on a conference, arranged a ship, built “roller coaster” and locked the central part of the Batumi Sea Port for test-drive on the ship in frames of the project “Path to the Peaks”.

## WHAT MAKES US DIFFERENT?

Getting corporate values and business-tasks to the Client's target audience is a question of great importance for us.

And involve all the guests into the philosophy of Georgian people and eternal dance of love happening only in Georgia.

## WHAT MAKES US DIFFERENT?

Since 2011 we've been bringing to a life all the unique and authentic demands our corporate Clients could ask for.

We strictly believe that “everything is possible” and have no limits in thinking on achieving extraordinary goals.

## WHAT MAKES US UNIQUE?

We organize team building “Gold of Fortress” based on the famous TV show “Fort Boyard”.

During the game we close 7 hectare area for the Client. Our game was already played by the employees of DONSTROY, ASUS and OMK.

The game “Gold of Fortress” is the intellectual property of Calypso Travel & Event under the legislation of Georgia.

According to the legend, the Fortress walls hide huge treasure once belonged to merchants who lived nearby the citadel.

The heritage of unbelievable political, economic and cultural prosperity of the 11th century AD is called nothing else but the “Gold of Fortress”.

And, only the noblest person is able to obtain the trunk key!

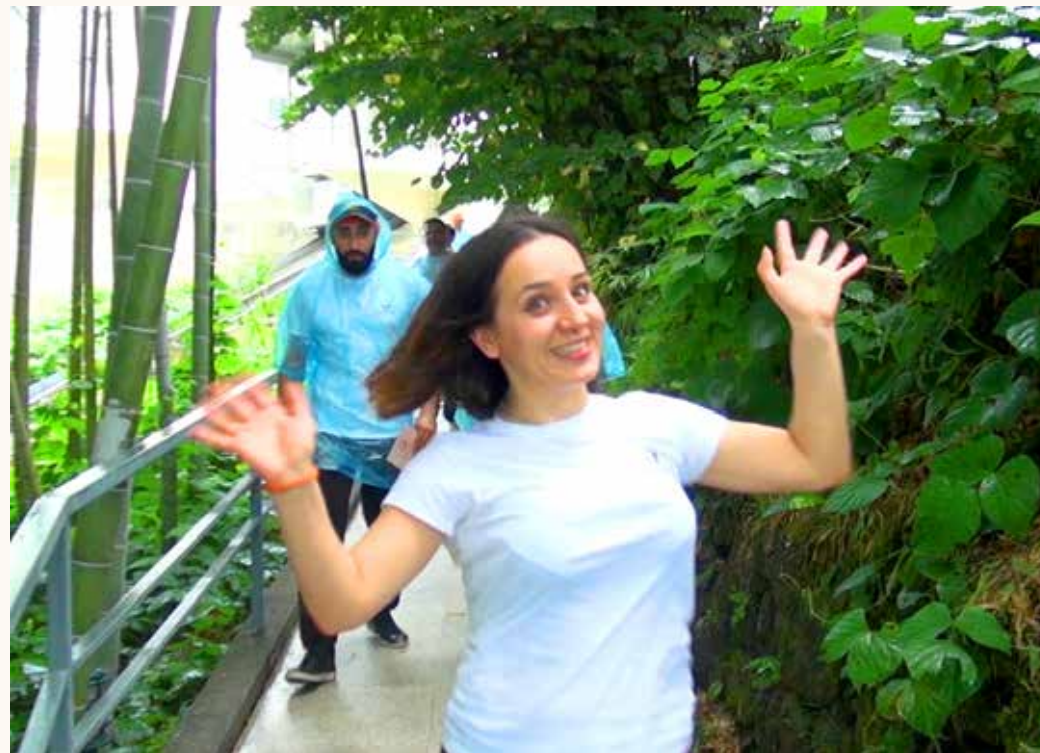

## WHAT MAKES US UNIQUE?

We created a special film based on a true story for initiate into the game "The Mysteries of Castle above the Sea".

Do you ever deal with ghost?

Participants should reach final destination before time portal close and complete the unfinished deal of her heroes.

Team building was already played by the employees of Sanofi Aventis.
