

GAME OF THRONES

GAME OF THRONES

Spectacular game is based on the successful series under the same name, created according the novel by George R.R. Martin's «Song of Ice and Fire».

The goal of the game is to take possession of the Iron Throne!

You will have to:

plunge into the world of Great Houses

face knights and spies

go around their traps and reveal centuries-old secrets

You are waiting for trials that completely immerse in the atmosphere of the Middle Ages!

Just imagine:

- decorated locations, identical equipment and bright costumes
- actors who bring to life famous characters from the series
- breathtaking obstacles

This theatrical event will be a vivid and unforgettable test for you and your team for strength, team spirit and determination.

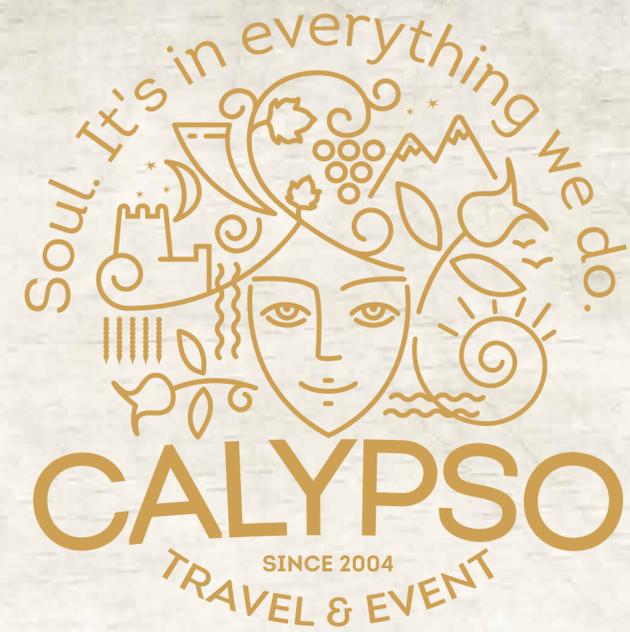

Watch video

Any configuration of the game is possible.

We can also offer the “Game of Thrones” team building based on historical chronicles of Georgia, recreating the golden era of the reign of Queen Tamar or her famous great-grandfather David IV «The Builder», who has revived a shattered, collapsing state and turned Georgia into a recognized powerful realm for a hundred years.
