

GOLD OF FORTRESS

Why Georgia?

A team-building idea is very much related to the history of Georgia, the land inheriting unique spirit of struggle, courage, and fortitude.

The land is inhabited by people having rich spiritual heritage and centuries-old traditions.

Here confidence and unconditional love to a human being, nature, and universe gets directly into your blood together with the "liquid" sun's rays...

GOLD OF
FORTRESS

Fortress Legend

There is a fortress in Georgia. Its stones still preserve and cherish the glory of old victories. The Persians, Arabs, and Ottomans superseded one another turning over the pages of human history for many centuries here.

The fortress is full of legends. One can't resist attraction by its proudly raised building...
These walls still keep magic power of hidden gold.

Game description and its unique style

Exciting team adventure appears similar to famous French TV-game show "Fort Boyard". The game begins with consecration. Master of the Fortress sets the rules and challenges that the teams must complete to win the gold. The great opportunity to try your hand and get to know enchanted emotions in the marvelous Georgia, authenticity of which completes the concept in general.
