

«Secrets of Old Tiflis»

Game of Adventure

Venue: **Old city of Tbilisi.**
Game duration: **2 hours.**

The old Tiflis (Tbilisi) is like a peculiar theatre, a city, loving tasty food and gossip and amusing itself with tales and fun, a quintessence of adventure stories and great people destinies, unique charm and feeling of an «eternal feast».

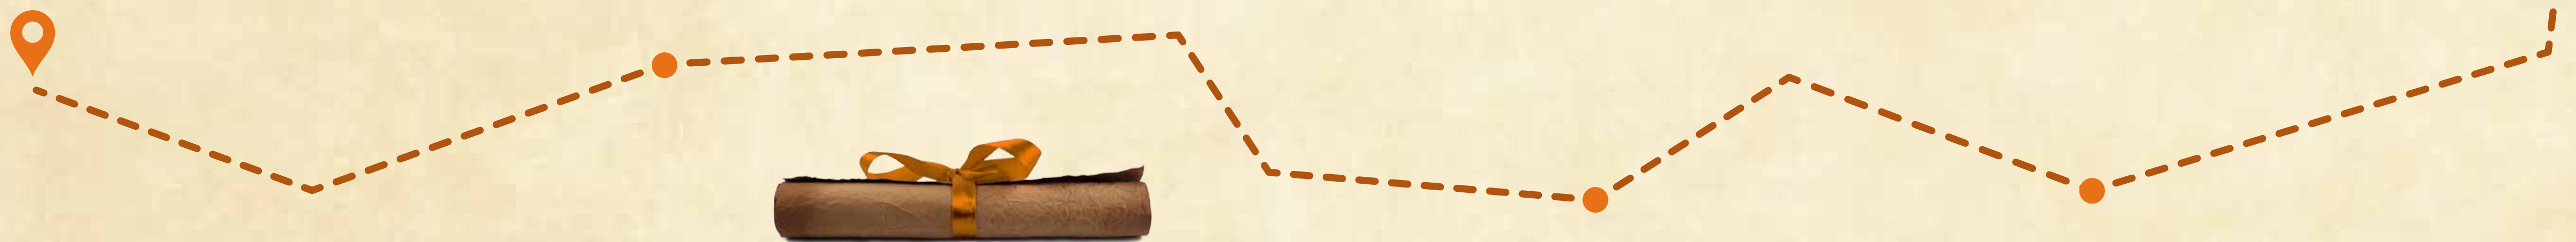

«Secrets of Old Tiflis» is not only a great chance to open the soul of the old city, to discover its stories and traditions, to take a look into the fate of famous characters, but also test oneself and those who are alongside.

The game is aimed to develop team communication and requires common coordination from all members of the team. Each team chooses by a draw a unique fascinating itinerary.

Solving some tricky or «tasty» tasks, slowly and naturally participants are getting involved in the local lifestream, feeling themselves an integral part of an everyday Georgian life.

The team which collects the most number of «gifts» and takes the most number of photos of the «secret places» in a given time will be the winner.

In the end, teams will mutually write their stories. Since local colorful individuals are so catching and attractive, you will confidently and widely open your soul to be involved in the eternal dance of love happening only in Georgia!
